“Meorav Tel Mondi” is a singing group which sings at the Tel Mond Community Center. Its musical director is Boaz Kabillio, who also accompanies it.

The group sings modern and classical Israeli songs, and all musical arrangements are made by Boaz Kabillio. The name of the group expresses the human variety that makes up the population of Tel Mond and its surrounding, as well as Israel in general.

The group has been around for many years and meets for rehearsals every week. It also performs in municipal ceremonies and in musical conferences throughout the country.

The group has traveled abroad several times and performed in front of the Jewish communities in southern France and in Paris, and participated in a festival in Italy.
